

# Bringing the World to Your Fingertips

Mission vision / Corporate philosophy  
Amidst the information explosion, we deliver the latest and most essential information to all.

01 Social Media Monitoring  
Interested in what is happening in a specific area or topic? Get notified of what is happening on social media. We bring the latest newsworthy content straight to you.

02 Patented AI Technology  
Too much junk on social media? Let us curate content for you. We filter out the noise using Image/Frame-to-frame Analysis, Natural Language Analysis, Geolocation, etc.

03 24/7 Social Media Monitoring  
Social media doesn't sleep, that doesn't mean you shouldn't. Our highly qualified editorial team works around the clock to ensure that you are always covered.

## Benefit

- 01 Get Notified of the Latest Breaking News
